

Call for the 19th International Convention and Fair, *Informática 2024*

Dear colleagues,

The Ministry of Communications, the IT and Communications Business Group and the Union of Computer Scientists of Cuba invite you to the 19th edition of the International Convention and Fair Informática 2024 to be held from March 18 to 22, 2024, in its usual venues: Havana Conventions Center and Pabexpo's Fairgrounds.

On this occasion, the theme of the event will be "For a digital society", to socialize the results based on research, innovation and collective development, in order to project the importance; the use and capabilities provided by Information and Communication Technologies, in the transition to a digital society with the necessary learning of citizens to take advantage of its benefits.

The main objective and theme of this edition is to support and promote the implementation of Information and Communication Technology Policies in Cuba, as well as the progress in Digital Transformation, with scientific and innovative proposals and solutions, with an impact on the Economic and Social Development Plan for 2030, in line with the achievement of the Sustainable Development Goals.

We invite you to the scientific and technological discussion and to the exhibition of projects and initiatives on the main areas covered in each of the events that are part of the Convention and the Fair.

Informática 2024 will be a space for the dialogue among professionals, scientists, technicians, businesspeople, government representatives, international organizations, different forms of management and the general public, interested in researching, promoting, analyzing, learning and exchanging information about the progress of Information and Communication Technologies (ICT), telecommunications, electronics, postal services, robotics and automation in Cuba and the world.

The Organizing Committee of Informática 2024 renews its invitation to you to present your professional contributions as well as commercial

samples at the exhibition with the conviction that we will achieve our common objectives in a friendly and cooperative atmosphere.

Eng. Wilfredo González Vidal

Executive President of the Organizing Committee

First Deputy Minister, Ministry of Communications of the Republic of Cuba
